« « FACULTY OF
FISHING

Faculty of Fishing Access Code

The Faculty of Fishing is a new, innovative - online
training course that educates students of all ages
on all aspects in the sport of fishing. From lines,
knots and reels, to fish biology, weather and boat
control to name just a few. Students will graduate
from this educational program, receive recognition
amongst their peers in the angling community and
have the knowledge to catch more and bigger fish.
Check out this remarkable new
program by visiting:
