## LUND PROS

**Mark Brumbaugh**

"If you're going to succeed as a pro, you've got to have a great boat. That's why I choose Lund. It's a great boat to fish out of and one of the best looking boats on the water."

**Ted Takasaki**

"Lund Boat Company has always been known for the 'Ultimate Fishing Experience,' and these new fiberglass boats are some of the finest to come out of the market – and that's why I moved to Lund."

**Marty Glorvigen**

"I've been fishing Lund since I was a teenager. I wouldn't use any other brand. I've been running a Lund GL for a while now, and I absolutely love it."

Some photos of Lund Boats in this catalog show factory and/or dealer installed options. Photographs are taken under controlled conditions. Colors are subject to printing limitations and are approximations only. Because Lund is dedicated to constant product improvements, the specifications, options, color selection, and model availabilities of our boats are subject to change without notification. Every Lund boat is built to meet or exceed rigorous NMMA certification standards and Coast Guard regulations. But first, every Lund must pass the toughest test of all—our own standards for quality and craftsmanship.
